LET'S TALK RESOLUTION

We are Northern Ireland's first and only dedicated centre for alternative dispute resolution. Northern Ireland has a unique reputation for peace process and political dispute resolution, and the Resolution Centre is building on this. We pride ourselves on offering alternative solutions, finding common ground and resolving disputes quickly and inexpensively.

All disputes are resolved in a discreet manner, preserving relationships and reputations with the Resolution Centre offering complete confidentiality and privacy, bespoke facilities and services according to individual client needs.

FACILITY SERVICES

The Resolution Centre is located in the heart of Belfast, offering close proximity to public transport, car parks, Belfast City Airport, the Courts as well as the city centre itself.

The Resolution Centre offers a selection of rooms available to book, including two large rooms, three medium, four smaller and two breakout areas. Rooms are available to book individually or in combination. To ensure privacy, the centre also has a private lift lobby.

PROFESSIONAL SERVICES

The Resolution Centre allows client access to Barristers in Northern Ireland who use their specific set of core skills as Accredited Mediators and Arbitrators or specialise in the representation of parties in the mediation and arbitration processes. Our mediators and arbitrators are highly experienced, skilled professionals with a proven reputation for rapidly assimilating information, negotiating and finding equitable solutions.

CATERING

You will be greeted with complimentary tea, coffee and pastries on arrival to the centre. Lunch and catered breaks can be provided in your room or suite to your specific requirements. We also offer high quality hospitality for functions if required. Each room includes complimentary drinks and snacks as well as tea and coffee facilities and a fridge. Alternatively, reservations can be made for your party at a range of restaurants in close proximity to the centre.

TECHNOLOGY

The Resolution Centre has been designed with the latest technology in mind. Each room offers full internet access with telephone and video conferencing facilities. Additionally, HDTV display panels allow cableless connectivity with any device. Each party can access full business and office support systems such as printing, scanning, device rental and photocopying. To maximise privacy and security during your time in the centre, each room can be access controlled at all times.

BOOKING & RATES

The Resolution Centre aims to provide a tailored service to suit your particular needs. Please contact us to discuss your requirements. Promotional offers, discounted rates and bespoke group packages are available.

Besides alternative dispute resolutions, the facilities can also be used for meetings, training or seminars.
